24 unique GRAYSCALE IMAGES to color from Ruth Sanderson's picture book THE TWELVE DANCING PRINCESSES, plus 12 bonus GRAYSCALE images, for a total of 36 pages to color. Bring on your colors and escape to the magical and romantic world of fairy tales! GRAYSCALE COLORING is different from coloring line art, and fun to try out if you enjoy realistic pictures. The tonal shading in these images will show right through your colors and give your artwork depth and subtle beauty. Colored Pencils and pastels are suggested for the best results. If you like to blend with Gamsol, remember to put a sheet of paper behind the page to prevent any bleed-through. Each picture is printed one-sided on 60 lb. pure white paper.
